Forecast for Monday 29 Jul 2024

Weather: Perhaps some patchy low cloud at first then a mainly dry bright day with some sunshine though areas of high cloud milling around will cause this to be hazy at times. There's just the outside chance of a light morning shower.

Chance of cloud-free hill tops above 800m: 70% rising more than 95% during morning

Low cloud and visibility: Patchy cloud at 500-750m at first otherwise no low cloud with good visibility
